**Small Print Toronto, The Little Paper & Rooster Studio  
present the 2nd annual outdoor festival of 'kindie' culture**

**T O T S T O C K ' 1 0**  
**Sunday, June 27; 2-5pm FREE**  
**Sorauren Park (Wabash & Sorauren Ave)**

As the rest of the city becomes embroiled in the G20's lavish spectacle of international diplomacy, why don't you join your neighbours in a whimsical celebration of local culture? **The Tot Squad (AKA Small Print Toronto, The Little Paper & Rooster Studio)** presents **TOTSTOCK '10**, the second annual festival of kid-friendly indie (or 'kindie') culture, in Sorauren Park on Sunday, June 27. Proceeds from this year's afternoon of songs, stories, games and activities will be donated to the **Wabash Building Society**.

**SONGS:**

Once again, the **Little Paper Main Stage** lineup features a constellation of Toronto's top kid-friendly indie (or 'kindie') bands and performers.

- **Don Kerr & Friends**
- **The Monkey Bunch**
- **Bellwoods Trinity**
- **Chris Patterson**
- **The Elwins**
- **DJ Terrence Dick**

With appearances by **Dave Bidini** and other Special Guests!

**STORIES:**

What would Totstock be without some of our city's leading children's authors? Check out who'll be appearing at the **Small Print Toronto Tent**:

- **Lana Button**, *Willow's Whispers* (Kids Can Press)
- **Laurel Crouza & Matt James**, *I Know Here* (Groundwood Books)
- **Sharon Jennings**, *C'mere Boy!* (Kids Can Press)
- **Patricia Storms**, *The Pirate & The Penguin* (Owl Books)
- **Lynda Hill**, Artistic Director Of **Theatre Direct**, will read *Tales of Peter Rabbit* By **Beatrix Potter**. (Penguin Group Canada)

There's a good chance that rascally rabbit, Peter himself, will make a cameo appearance.

**Another Story** will be the bookseller at Totstock '10.

### **ACTIVITIES:**

Totstock Activities are decidedly lo-tech. We're firm in our belief that you don't need a bunch of bouncy castles, fast food and Disney™ characters to have a great time with your kids.

**Sweet Pea** and **Coriander Girl**, an organic landscaper and florist is bringing buckets of flowers to decorate bicycles. Mid-afternoon, the decorated bikes will parade the park, led by the minstrels of **Bellwoods Trinity**. And **Westside Cycle** will be on hand to provide bike and helmet safety checks.

**Anouk's Ark** will lead families in a giant game of memory with the beautifully crafted Endangered Species Game. **The Centre For Art & Soul** is going to provide children's games and yoga. **Mrs Huizenga** will bring her tickle trunk of dress up clothes. **PINE Project** will lead nature crafts. **The Planet In Focus International Film & Video Festival** is supplying "Mixed Greens", a series of short films for children for our bicycle-powered film festival. Local movers and shakers will power the festival in 15 minute bike stints.

### **LOCAL FOOD:**

**West End Food Co-Op** will handle the food and drink tents. All food and drink is locally sourced, organic or ethically farmed. There will be little pizzas, lemonade, coffee, cookies and fresh fruit available.

### **LOCAL GROUPS:**

At the **Rooster Studio Info Tent**, we'll have representatives from Greenest City, Clean Train Coalition, Waterkeepers and many others.
